Notes to Editors:

About APC

APC plc is a leading specialist distributor of electronic components, comprising eight areas of activity:

* APC Hi-Rel distributes a variety of specialist electronic components into applications where component reliability is of paramount importance. Hi-Rel's franchised product lines include power semiconductors, power supplies, memory, wound and high voltage components.

* APC Locator is the number one solutions provider for obsolete and hard-to-find parts, with 25 years' experience in the industrial and defence/aerospace markets across Europe.

* APC Hero has a specialist team of Product Managers ready to assist with your next design, our key areas include LEDs/LAMPS, drivers, wireless devices and modules, Zigbee, specialist sensors and crystals (plus fast turn around on programming).

* APC Go! provides a kitting and materials management service to companies wanting to outsource non core activities, offering services ranging from material procurement to full production management.

* APC Displays+ provides dedicated technical and commercial support for a wide range of LCD's, standard, custom, TFT, e-signage, character, graphics, driver boards, IC's, single board computers and all related connectivity.

* APC Novacom is a distributor and manufacturers' representative for RF and microwave frequency electronic components. The business is managed by a team of technical specialists with many years experience in the RF and Microwave industry.

* APC Contech is a distributor of specialist data input devices for industrial, broadcasting and medical sectors providing technically advanced solutions for specific application areas.

* APC KVAR is a manufacturer and distributor of power saving equipment which optimises the performance of electrical motors, leading to reduced energy consumption and cost savings.
